

What I am holding in my "eternally yearning for metal music" hands right now is Italy`s BARBARIAN`s brand new album ("Viperface").This is a full-length release with plenty of devilishness in it. Man, this stuff messed me up a lot so it comes as no surprise I decided to chat with BARBARIAN`s frontman – Borys Catelani. Ok, lets don't waste our precious time no more. Ladies and gentlemen – this is BARBARIAN!

Regressive metal is about to strike again!
