---

Yet before the holidays, for the first time you will get into your hands professionally released CD of the legend of Polish death metal ARMAGEDON. Next to "Invisible Circle", 1993 you will find there a bonus in a form of a demo material from 1991 "Dead Condemnation". Although, those both materials appeared in 2004 on one CD, but it was really frugally released CDr. This time,
