180-gram vinyl and are newly remastered from the ultra-high definition Direct Stream Digital transfers from original analog tapes to bring out maximum fidelity of these iconic albums.

Exclusive "Kissteria" extras include eleven 11"x17" archival posters, including the band's very first promo poster; a KISS vinyl cleaning cloth; a KISS turntable mat; a set of KISS dominoes; four band lithographs highlighting four decades of the band; and a certificate of authenticity displaying the limited edition number for each of the individual box sets.

Forty years ago KISS released their eponymous debut album, which would propel the band to the top of the rock and roll hierarchy where they have reigned for the past four decades making the KISS legacy a global brand with more than 3,000 licensed merchandise products, including a recent partnership with the Arena Football League as owners of the Anaheim-based expansion team LA KISS
