FURIA announces the release date of their new album and tour dates

The Polish experimental black metallers FURIA will release their new 4th album "Nocel" on October 16th via Pagan Records. FURIA have been dwelling within the Polish black metal underground for a period of time in which this enigma have clearly spearheaded themselves as one of most prominent acts within the scene. "Nocel" consists of 8 brand new morose and mournful hymns that displayed a scenario where fury and hatred are the two dominating emotions. They rumble gloomily and yawn with methane. <?xml:namespace prefix = o ns = "urn:schemas-microsoft-
