REPULSOR' ucieka do przerażającego horroru. Repulsor's 'Trapped in a Nightmare' is a dark, horror-themed album. The cover art features a woman in a pink dress standing in a graveyard, surrounded by tombstones and skeletal figures. The title 'TRAPPED IN A NIGHTMARE' is written in a yellow, jagged font at the bottom of the illustration. The background is a dark, purple and black color with a cracked, stone-like texture.
