DAWN OF THE NINE will be the name of the twelfth studio album by Swedish death metal pioneers UNLEASHED, due out this spring via Nuclear Blast.

UNLEASHED founding member, bassist, and vocalist Johnny shares the following about the cover artwork created by Pär Olofsson (EXODUS, IMMORTAL, ABYSMAL DAWN):

“The artwork represents the continuation of our previous album, which ended with ‘The Great Battle of Odalheim.’ The battle took place at Uppsala Fields in Sweden, and you can clearly see the king’s grave in the cover art work which also represents the future. You can also see the
