At long last, after long 26 years, a real black gem of classic metal, the Koszalin-based SLAUGHTER`s first demo: "Into the Darkness" will see the light of day. Also, apart from the above said material, there are going to be a number of bonus, previously unreleased tracks on this cd: band`s second demo: "Lovely Typhoid...and Fenol for All" from the year of 1990 as well
