VENOM INC.

are currently building a reputation of great live version with the true spirit of the original band.

Mantas, Abaddon and Demolition Man (the Prime Evil lineup) reformed in April last year and have already toured the world (including China, Japan, Europe and America) with a full and classic VENOM set and proved to everyone they're the true powerhouse! This absolute powerhouse of metal are set to bring you all that was/is and will be Venomously brutal and exciting. It
