---

Norwegian black metal tornado **1349** will once again whirl a massive cauldron of chaos at Brutal Assault fest! Also returning after his successful performance last year is French master of retro futuristic synth dark wave **PERTURBATOR** with his new album *The Uncanny Valley*. Two bands of different spectre of death metal will join us, namely French BDM savagery

### **KRONOS**

and long running Italian progressive band

### **SADIST**

. One of the most interesting bands in the current Polish black metal scene

### **THAW**

will also play BA 2016 alongside legendary Czech thrashers

### **DEBUSTROL**

and a new Frantisek Štorm (of Master's Hammer fame) project

### **MORTAL CABINET**

. The Mortal Cabinet show will include some Master's Hammer songs! For more info about tickets please continue
