Hail BATHORY Hordes !!!!

Know that many of you have been waiting for this very issue but we are forced to postpone it.

The reason is many bands don't give a toss about us and are behind with answering out interview questions.

We do want this special edition of Oldschool Metal Maniac # XX to be as attractive as possible so we have decided to take our time. We are to release this issue to commemorate Quorthon's birthday - 2021/02/17, which is a good idea in our view.

Apart from articles and interviews we also plan to make an embroidered patch, a metal pin, some cool posters, and maybe even an 7ep if we manage to find right bands.

If you are interested to be part of this project please send your covers and we will choose the most interesting ones for the ep. Or release a compilation cd.
