Well, if any of you guys have got any interesting stuff related to BATHORY and you feel like sharing this with us, please email us right away. We are looking for any reviews, interviews, articles and so on... dealing with BATHORY and which aint featured in "A Tribute to Bathory

part I".

In other words, the more stuff we get, the more Part II will feature in result. trust me on this: we want this part II to be at least as awesome as part I.

And

Any help will be very much appreciated.
