

The previous issue is still hot, and we have #27 here already! I don't know how he does it and how much time he has got to do it, but his work always results in pure DESTRUCTION. Every damn issue of this zine is an oldschool orgy with a high dose of underground metal. And this issue is no exception. What we have here are interviews with legendary German **ATOMWINTER**, **INSEPULT**, Czech **HYPNOS**, **NETHERMANCY**, Spanish **GRAVEYARD**, Dutch

ENRAGED

,
FESTERING TYRANNIC, NECROVORUS

. Some good shit in form of Canadian

TYRANTS BLOOD, CHAPEL OF DISEASE, MORBID CARNAGE, ESCARNIUM

and

MORT DOUCE

from Poland. Plus 200 underground reviews. These 142 pages just fucking kill! A really good read, this zine surely is. Very recommended!!
