

This time we deal with real necro black metal created by two infernal groups. The first one is Canadian GROTESQUE MASTER which is a one man band with Lord Scrotum as its death squad leader. This guy offers us 4 obnoxious acts of profanation and an intro. Simple, minimalistic music with no sugarcoating at all. Another band here is a known and very liked Sobiech`s band BLOODY CYROGRAF.

This time these boys have delivered 3 unholy tracks praising Satan. There is an intro, and after this we have "Sabbatic Dance." Right from the beginning, the destroying vocals dominate over the music that is slightly in the back, and though of rather bad quality, is still enjoyable and really diabolic. We all clearly know what's going on here. The next blow is an amazing time of sacrifice – one of the more interesting cuts this split has. Sadly, the quality is really bad, it'd be more deadly if recorded at the vocals` level. Anyway, it is a good stuff so get it because the music is really decent. This tape is strictly limited to 333 copies and looks very neat. Released through werewolf promotion.
